621 CHERRYVILLE ROAD, SHELBY, NC 28150

ATTACHMENT TO APPLICATION
FOR SEARCH WARRANT

The information contained within this affidavit is based upon information the affiant has gained from this investigation, the affiant's personal observations, training, and experience, and/or information relayed to the affiant by other law enforcement officers and/or agents. Since this affidavit is being submitted for the limited purpose of securing a search warrant, the affiant has not included each and every fact known to him concerning this investigation.

The Affiant swears to the following facts to establish probable cause for the issuance of a search warrant:

The information received during the course of this investigation is discussed in this affidavit and is believed to be true and accurate by Sergeant Derek Toney of the Cleveland County Sheriff's Office.

1. On February 14, 2000, 9-year-old Asha Jaquilla Degree, went missing from her home in Shelby, North Carolina. Asha Degree was seen by drivers walking along North Carolina Highway 18 in Shelby, North Carolina. Asha Degree was seen being pulled into a 1970's green Lincoln, Thunderbird, or another similar vehicle. Asha Jaquilla Degree has not been seen since that time.

2. The search for Asha continued for approximately two weeks after she was reported missing, which included searches that utilized Tracking and HRD (Human Remains Detection) K9's, horses, ATV's, dive teams, aerial searches, neighborhood canvasses, and interviews, which included Law Enforcement and multiple community members/volunteers. All efforts during the two-week search concluded with negative results in finding Asha.

3. On August 2, 2001, evidence belonging to Asha Degree was located in Burke County, NC, on the side of Highway 18, approximately 21 miles north of where Asha Degree was last seen. A construction crew working in the area located the evidence double bagged in black garbage bags and turned it over to the Cleveland County Sheriff's Office.

4. Numerous items of evidence were collected from the area; some having been identified as belonging to Asha Degree and other items not belonging to Asha Degree.

5. Various items of evidence were sent for analysis. Two of those items returned evidentiary results. Genealogical data narrowed the samples down to two (2) individuals. One sample belonged to Russell Bradley Underhill. Another sample belonged to a hereditary family member of suspects Roy Lee Dedmon and Connie Elliott Dedmon.

6. Investigators determined Russell Bradley Underhill lived in at least two (2) facilities operated by Roy Lee Dedmon and Connie Elliott Dedmon, during the time Asha Degree was reported as a missing person. Russell Bradley Underhill was discovered deceased in Lincoln County in 2004.

7. Roy Lee Dedmon and Connie Elliott Dedmon share three (3) children in common, identified as Lizzie Grace Dedmon Foster, Sarah Gwen Dedmon Caple and AnnaLee Victoria Dedmon Ramirez. The oldest daughter, Lizzie Grace Dedmon Foster, resides in Texas. The middle daughter, Sarah Gwen Dedmon Caple, resides in Shelby, North Carolina and the youngest daughter, AnnaLee Victoria Dedmon Ramirez, resides in Charlotte, North Carolina.

8. Laboratory analysis of collected DNA samples indicated the likelihood that the hair stem sample from Asha Degree's undershirt is a person genetically identical to the DNA standard collected from AnnaLee Victoria Dedmon Ramirez. AnnaLee Victoria Dedmon Ramirez is a hereditary family member (daughter) of suspects Roy Lee Dedmon and Connie Elliott Dedmon.

9. Suspects Roy Lee Dedmon and spouse, Connie Elliott Dedmon, currently reside at separate residences from one another.

10. Roy Dedmon and Connie Dedmon are the two common links between the profiles of Russell Bradley Underhill and AnnaLee Victoria Dedmon Ramirez, collected and identified, from Asha Degree's undershirt and the trash bag which contained Asha Degree's bookbag.

11. Interviews with known associates of Roy Dedmon and Connie Dedmon indicate the Roy Lee Dedmon family have no connections or ties to Asha Degree.

12. On May 23, 2023, Investigators conducted an interview of an employee at Cleveland County Social Services. The employee informed Investigators they were employed at DSS in 2000 and were able to confirm Underhill's residency in Cleveland Health Care during a number of visits to the facility in January of 2000. The employee recalled Roy Dedmon being involved in Underhill's care in February of 2000 and informed investigators they were told Roy Lee Dedmon would send his 16- to 17-year-old daughter (Lizzie Grace Dedmon Foster) to transport patients in an unreliable vehicle to/from Broughton Hospital, in Morganton, North Carolina.

13. Investigators discovered Roy Lee Dedmon's residence of 621 Cherryville Road, Shelby, North Carolina, is approximately 3.7 miles (six minutes) from the last known location where Asha Degree was seen by a witness, in the vicinity of Fallston Road/Highway 18 and Wallace Grove Drive. Fallston Road/Highway 18 is the most logical route to travel to and from Northbrook Rest Home and/or Broughton Hospital. Asha Degree's bookbag was discovered on Highway 18, approximately 7.2 miles (10 minutes) from Broughton Hospital.

14. Investigators obtained Underhill's medical records. Documentation dated June 4, 1999, noted Connie Elliott Dedmon as Admin. for Cleveland Health Care, and documented directions on medication administration for Underhill. Medical records verified Underhill resided at Cleveland Health Care on January 24, 2000, and June 19, 2000. Further medical records indicated Underhill's school resource person listed as Roy Lee Dedmon, dated June 19, 2000. A document from Gaston Lincoln Area Mental Health Screen Form documented Underhill's residence as Cleveland Health Care, dated June 19, 2000. A Gaston, Cleveland, Lincoln Medical Healthcare Services Consent Form documented Roy Lee Dedmon as Underhill's Emergency Contact, date unknown. An additional medical record indicated Roy Lee Dedmon as Underhill's emergency contact, dated June 18, year unknown.

15. Investigators discovered upon the closure of Cleveland Health Care in 2002, Roy Lee Dedmon and Connie Elliott Dedmon opened an assisted living facility under the name of Northbrook Rest Home, located in Vale, North Carolina. Prior to his death in 2004, Underhill was a resident of Northbrook Rest Home.

16. North Brook Rest Home has been under the control of Roy Dedmon and Connie Dedmon since January 01, 1985.

17. On November 29, 2002, CCSO received a missing person's report, indicating Underhill had left Autumn Years Retirement Center located at 1451 Fallston Road, Shelby, NC, with a white male in a red truck.

18. On December 2, 2002, CCSO Deputy Curry located Underhill at Cleveland Health Care, located at 1056 College Avenue, Shelby, NC.

19. Roy Dedmon currently has 29 vehicles registered in his name.

20. On February 28, 2024, a search warrant was obtained to gather intelligence via unmanned aerial vehicle (drone). The search warrant was issued for the residence of Roy Dedmon, 621 Cherryville Road, Shelby, North Carolina.

21. On February 29, 2024, the unmanned aerial vehicle search warrant was executed. Investigators discovered Roy Dedmon has three (3) green vehicles located on his property and one (1) red truck. Investigators were unable to obtain Vehicle Identification Numbers (VIN) for the three (3) green vehicles and one (1) red truck, or any other vehicle located on the property, utilizing the unmanned aerial vehicle.

22. Asha Degree has remained missing for twenty-four (24) years, without any contact with her family and/or friends. There have been no school records pertaining to Asha Jaquilla Degree since her date of disappearance, February 14, 2000.

23. Asha Degree's bookbag and clothing (wrapped in two sealed black plastic garbage bags) were located along Highway 18 South near Morganton, North Carolina (Burke County), seventeen (17) months after Asha Jaquilla Degree was last seen on February 14, 2000.

24. Harold, Iquilla and O'Bryant Degree (Parents/brother of Asha Jaquilla Degree) have been interviewed numerous times, and/or polygraphed. All information pertaining to and obtained from Asha Degree's immediate and extended family indicates her family does not know her whereabouts nor have had any type of contact with her since her disappearance 24 years ago.

25. Based on technological advancements, social media platforms and Genealogical innovations, information can be obtained from anywhere in the world. These breakthrough concepts make communication to and verification of individuals virtually probable. No communication and/or verification of Asha Degree or her whereabouts have been made since February 14, 2000.

26. Based on these findings, Investigators believe Asha Degree is a victim of homicide, with her body concealed.

27. On February 14, 2000, the ages of the three (3) common Dedmon children would have been: Lizzie Grace Dedmon Foster (16 years of age), Sarah Gwen Dedmon Caple (15 years of age), and AnnaLee Victoria Dedmon Ramirez (13 years of age).

28. Due to the ages of Roy Dedmon and Connie Dedmon's three daughters in the year of 2000, Investigators believe adult assistance from Roy Dedmon and Connie Dedmon would have been necessary in the execution and/or concealment of the crime.

29. Based upon the applicant's training and experience, the applicant knows when a crime occurs there is often a transfer of physical evidence. The transfer of evidence may occur between the victim and the crime scene, the suspect(s) and the crime scene and/or between the crime scene, the victim and the suspect(s). The transfer of evidence may also occur in vehicles or modes of transportation used by a suspect(s) to flee a crime scene after the commission of a violent crime. It is a well-known fact that people in general keep personal effects, i.e. clothing, newspaper clippings, VHS, CDs, DVDs, memorabilia, photographs, childhood possessions and such at their regular place of domicile. It is probable and likely, personal effects belonging to Asha Degree, along with other forensic and/or trace evidence relevant to this investigation will be located at the residence of 621 Cherryville Road, Shelby, North Carolina.

30. Based on the above-mentioned facts, the applicant believes probable cause exists to search the residence, vehicles and property listed in the affidavit.
